TRIPARTITE MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as the "MoU") is entered into on this **15th October *(Thursday)* 2026**, by & among :

ANURAG COLLEGE OF PHARMACY, located at **Warthi,** Bhandara, Maharashtra, an academic institution managed by Shri. Sadashivrao Patil Shikshan Sanstha (here in after referred to as "ACP", which expression shall include its successors and permitted assigns) of the **FIRST PART.**

GO VIGYAN ANUSANDHAN KENDRA, located at **Deolapar,** Nagpur, Maharashtra, a pioneering research organization dedicated to cow-based lifestyle, scientific evaluation, and Panchgavya-based traditional medicine (hereinafter referred to as "GVAK", which expression shall include its successors and permitted assigns) of the **SECOND PART.**

QUALICHEM LABORATORIES, located at **Nagpur,** Maharashtra, an analytical testing and industrial quality assurance facility (hereinafter referred to as "Qualichem", which expression shall include its successors and permitted assigns) of the **THIRD PART.**

(Each hereinafter individually referred to as a "Party" and collectively as the "Parties".)

1. BACKGROUND AND PURPOSE

WHEREAS, **ACP** is committed to high-quality pharmaceutical education and research, specializing in post-graduate (M. Pharm.) studies in Quality Assurance and Pharmaceutics;

WHEREAS, **GVAK** possesses traditional expertise and raw production facilities for Panchgavya medicines targeting various chronic and lifestyle disorders;

WHEREAS, **Qualichem** operates as an industrial analytical laboratory capable of standardizing, testing, and verifying quality parameters of pharmaceutical formulations;

NOW, THEREFORE, the Parties agree to cooperate to club industrial production, institutional research, and traditional validation under the terms outlined herein.

2. SCOPE OF COOPERATION

The core objective of this tripartite alliance is to bridge traditional healthcare knowledge with modern pharmaceutical validation. Responsibilities are divided as follows:

A. Responsibilities of Anurag College of Pharmacy (ACP) :

Facilitate research by Post Graduate (M. Pharm.) and doctoral students on Panchgavya medicines.

Conduct scientific research on targeted formulations for polycystic ovarian disease, neuropsychiatric disorders, pulmonary diseases, and cardiovascular disorders.

Provide necessary academic infrastructure, faculty guidance, and theoretical screening methods.

B. Responsibilities of Go Vigyan Anusandhan Kendra (GVAK) :

Grant ACP students and faculty access to On-Site production facilities at Deolapar for research and observations. Provide traditional formulations, raw materials, and the guidance of its Vaidyas (traditional physicians) regarding potential research topics and core principles. Collaborate on offering practical industrial training programs for pharmacy students.

C. Responsibilities of Qualichem Laboratories :

Offer analytical expertise, testing protocols, and industrial quality control feedback for developed or researched Panchgavya formulations.

Support the scientific standardization of traditional medicines to meet modern regulatory and market standards.

Jointly guide students in quality assurance parameters alongside ACP faculty.

3. INTELLECTUAL PROPERTY (IP) & PUBLICITY

Any research outputs, publications, or patent filings originating directly from joint projects executed under this MoU shall be jointly owned or credited among the Parties, based on their relative scientific and resource contributions.

No Party shall use the name or logo of another Party in any press release or commercial advertisement without prior written consent.

4. CONFIDENTIALITY

The Parties agree to maintain strict confidentiality regarding proprietary traditional formulas provided by GVAK, analytical techniques optimized by Qualichem, and novel data generated by ACP researchers, unless explicitly agreed otherwise in writing.

5. TERM AND TERMINATION

This MoU shall remain valid for a period of three (3) years from the date of execution. It can be extended or renewed upon mutual written agreement.

Any Party may terminate its participation in this MoU by giving ninety (90) days' prior written notice to the other two Parties, ensuring that ongoing student research projects are not disrupted.

6. AMENDMENTS & MISCELLANEOUS

No modification or amendment to this MoU shall be valid unless made in writing and signed by authorized representatives of all three Parties.

This document represents an expression of intent to foster institutional-industrial collaboration and is not intended to create binding financial obligations unless specified under separate project-specific agreements.

IN WITNESS WHEREOF, the Parties hereto have signed this Memorandum of Understanding through their duly authorized representatives.

For **Anurag College of Pharmacy (ACP)** For **Go Vigyan Anusandhan Kendra (GVAK)** For **Qualichem Laboratories**

For **Anurag College of Pharmacy**, Bhandara (Party-A)
Signature : _____
Name : **Dr. Sachin Lohe**
Designation : Principal
Seal : _____
Date : 14/10/2026.

For **Go-Vigyan Anusandhan Kendra**, Deolapar (Party-B)
Signature : _____
Name : **Dr. Hemant Jambhekar**
Designation : Working President
Seal : _____
Date : _____

For **Qualichem Laboratories**, Nagpur (Party-C)
Signature : _____
Name : **Dr. Pranav Nagarnaik**
Designation : Director
Seal : _____
Date : 14/10/26

Witness : (Party A)
Signature : _____
Name : Dr. Anshuman Barbat
Designation : Asso. Prof.
Institution : Anurag College of Pharmacy
Date : 14/10/2026

Witness : (Party B)
Signature : _____
Name : DR. Salish Mohod
Designation : _____
Institution : _____
Date : _____

Witness : (Party C)
Signature : _____
Name : Asun. Sajoshi
Designation : Tec. Manager
Institution : Qulichem Labs
Date : 14-10-2026
